

SAVE \$80 off your Cat Sterilisation

Important info for pensioners and low income earners

With the introduction of the Cat Act 2011, which requires all cats to be registered, sterilised and micro-chipped, the City is offering a \$80 subsidy for cat sterilisation to pensioners and low income earners within the City of South Perth. This applies to both male and female cats.

* Please note that there is limited number of subsidies available and conditions apply.

For further information please
